DSPs in the Community Contest September 13 - 26, 2020

To show our appreciation, we're having a contest and giving \$50 gift cards to 10 randomly selected DSPs! Check out NDACP on social media. Tag us in photos of you: out in your community, doing something you enjoy, sharing what makes you happy. Remember to get written permission before including others in your photos. Thank you to the providers in the communities across ND from the Association of Community Providers!
